Come & Go "66" Birthday Party

On November 11th the Oklahoma Route 66 Association office was the scene of a "COME AND GO" birthday party for the 66th birthday of this historic route. The highway was officially born on November 11, 1926.

Michael Wallis, Author of "Route 66, The Mother Road" and Jim Ross, Author of "Route 66, A Cruiser's Companion" were on hand to help celebrate the occasion.

A special conference call was set up by Danny Scott to be

able to talk to the following individuals: Bobby Troupe, writer of the song "Get Your Kicks On Route 66", Gladys Cutberth (widow of the late Jack Cutberth) and Angel Delgadillo (barber in Seligman, Arizona, one of the founders of Arizona's Route 66 Association). This special call was one of the highlights of the festivities.

The party was for everyone interested in Route 66. The public was invited to attend.

Food Donations Made By Association

At the state-wide meeting, November 14th, the attending members voted to give food donations to the Jesus House in Yukon, a Route 66 Community. This was to be used to feed homeless people that are temporarily staying in a shelter.

Route 66
Volunteers!

I would like to thank the members that participated in our fourth annual meeting. A special "Thank You" to the University of Central Oklahoma for allowing the use of their facilities, and to George Nigh, Carl Reheman and Liz Vermilyea for their help making the necessary arrangements. We greatly appreciate everyone's efforts.

I want to express my appreciation to Danny and Mary Scott for all their work this past year, manning the office and taking care of the day to day business of the Association. Thanks also to Mark Rodgers for all the time and effort he expended on the cruises and special activities during 1992. Mark logged several thousand miles and hundreds of hours working with the communities and counties to promote Route 66.

I am looking forward to working with you to make our Association a force in Oklahoma's tourism industry in the coming year. Even though there has been 66 years of history and memories, I feel we are on the verge of a GREAT AWAKENING of the MYSTIQUE that is "Route 66".

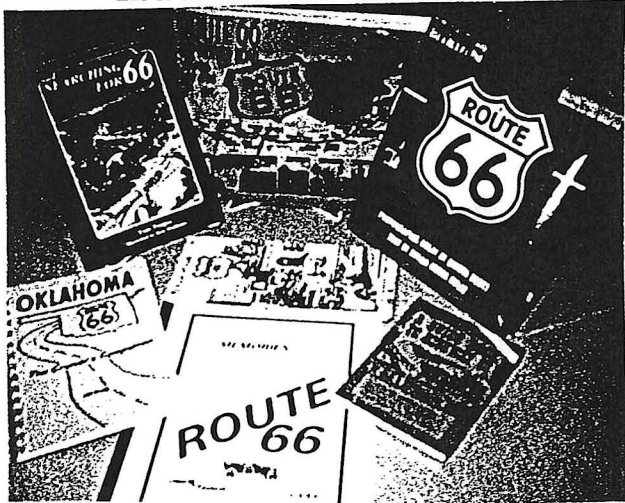

We must all work together for one common cause; The promotion of our great nation, our state and our local communities, with "ROUTE 66" being the thread that ties it all together. I hope all 13 counties along the Route, will become active with their local Route 66 Chapters and make sure we have a representative from each county to serve on the State Association's Board of Trustees. If your county has not organized and you need help, call the office and we will make arrangements to meet and assist you. We need everyone working to make our goals a reality!

The Publicity Committee is already functioning, Preservation Committee is now making contacts, Resource Committee is formulating plans, Special Events Committee will begin work soon and the
