Volume 5, No. 4 NEWSLETTER December 1993

THE PRESIDENTS CORNER BY RON BURDEN

This will be our last newsletter for 1993. I hope all of you have enjoyed the articles and information we have provided in the newsletter. If anyone has information or suggestions, please contact us at the state office and we will make an effort to include them in future publications. We would especially like to hear of upcoming events along "Route 66". We will advertise the event and will make every effort to participate, if possible, in local celebrations.

On Thursday, December 9, 1993, we met with representatives from the Department of Tourism at their offices in Oklahoma City. Present at the meeting were Travel and Tourism Director Kathleen Marks, Advertising and Promotion Manager Sandy Pantlik and Darrell Wildcat from Advertising and Promotions. From the State Association, members present were President Ron Burden, Secretary Carol Duncan, Beckham County Trustee Morton Scott and Preservation Committee Chairman Sally Ferrell. There was discussion on the upcoming International Trade Show in Berlin, Germany in March 1994. The Department of Tourism will have a booth at the show and "RT 66" will be one of the primary themes of the Oklahoma display. Our Association is trying to organize items for the display and we will be working with the department over the next weeks to provide any assistance we can. We also discussed the need for promotional brochures and maps for Route 66 in Oklahoma. The Department assured our Association they will help anyway they can to develop our ideas.

I would like to wish each of you "Happy Holidays", Merry Christmas and a very happy New Year!
