# Oklahoma Route Association Board 2013

The Oklahoma Route 66 Association is proud to announce the election of the following officers:

Brad Nickson, President. Brad is a relative newcomer to Oklahoma. He and wife LaSandra moved to Tulsa in July 1997. Brad has worked in higher

education as a software developer for nearly three decades, and Route 66 is a nice break from the high-tech world that takes up most of his time.

Brad joined the Oklahoma Route 66 Association in 2001 shortly before one of the annual state-wide cruises. Soon afterward, he became the Tulsa County Representative and still holds that position today. He held the position of Eastern Vice President for a short time before becoming President in January 2013.

Brad served on the Board of Directors for the 2004 International Route 66 Festival in Tulsa. He served on the design recommendation committee for Tulsa

County's Route 66 Vision 2025 project.

An interest in photography led him, in conjunction with Tulsa Community College, to lead two photography tours along portions of Route 66 surrounding Tulsa. The Western tour, Catoosa to Arcadia, has a travelling gallery show currently being hosted at the Chandler Route 66 Interpretive Center.

Mike Hickey is a retired director of Safety and Human Resources. He is married with two grown children and two grandchildren.

Mike became involved with the Oklahoma Route 66 Association after attending a cruise with his family. He soon recognized his background of history and photography were a good fit and has served the association since. Mike served s President from 2003-2012 and has commit-

ted to serve as Western Vice President for the next two years.

Ron Burden was re-elected as Lincoln District Representative.

Wayne McCombs is the newly elected Rogers/Delaware/Craig District Representative. He is the executive director of the J.M. Davis Arms and Historical Museum in Claremore. He was named director in 2009. McCombs is a graduate of the University of Tulsa and has worked in the broadcasting and advertising industry for over 40 years. He serves on the Claremore Veterans Day parade committee, the Claremore American Legion baseball program, the Claremore Convention and Visitors Bureau committee and the University of Tulsa Athletic Hall of Fame committee. He and his wife Lea Ann, have four children.

Blaine Davis will serve as Eastern Vice President. In Blaine's own words...many years ago, before they

built The Blue Whale, Hugh & Zelta Davis hatched a Christmas Eve baby (1941). He grew up with all kinds of animals as playmates and whimsical things were a part of life—still are. There was high school, military service, marriage, kids and volunteering, lots of it:

Jaycees, Vol. F. D., Historical Museum, Chamber of Commerce, Oklahoma Route 66 Association and Park Host at locations in Oklahoma, Texas, Louisiana and Mississippi. My favorite of all has been the Oklahoma Route 66 Association group and the interaction with people who come from all over the world to visit and learn about a time gone by. Like all, I will someday go by and leave a little bit of legacy from my dust.

Jill Ann Church will serve as the Canadian/Caddo/Blaine District Representative. She lives in Mabelvale,

Arkansas. Besides being a published author and a child of God, Jill Ann is employed by the Arkansas Department of Workforce Services in the Fraud Unit. She has two adult children, Marcia of Benton, Arkansas, and Daniel of Brisbane, Australia and has been married to her husband David for 32 years.

## President's Memo

Tourism season is getting into full swing! On Oklahoma Route 66, and Route 66 in general, it never really stops, but in the Spring and Summer it really gets hopping!

Take a quick look at the back cover of this issue of *On The Road...* What a great list of events all across Oklahoma during May, June and July! And I would wager that we have missed plenty of events that are not on that list. We didn't leave them off on purpose, it's just the events we knew about when putting the newsletter together. From Quapaw to Elk City there's a wide variety of things to go and do. Please don't accuse me of favoritism but one favorite of mine is the Chandler Ice Cream Festival.

There is an invitation from the City of Joplin in this newsletter. They will be the host city for the 2013 Route 66 International Festival. Dates are August 1-3, 2013. I would encourage any Route 66 fans reading this newsletter to try and make plans to attend. And I'll ask now... Can I have some volunteers to help us with an Oklahoma Route 66 Association booth? Promoting Route 66 is easy work. You visit with good folks and hand out some information.

Also in this newsletter is something new that the Oklahoma Route 66 Association has not tried in recent memory... We have included a donation form. Your membership dues, newsletter advertising and trip guide advertising cover our basic expenses. Having our basic expenses covered is a great thing, but... We would like to do more... More preservation projects... Upgrading our booth setup used at events... Attending more events and spreading the word about Oklahoma Route 66... Technology upgrades... Nicer paper for the trip guide... We are a recognized 501(c)3 organization. So a portion or all of your donation may be tax deductible. If a donation is not in your future, that's okay. See if you can round up some more members... That would help too.

Don't text and drive... You'll miss seeing something!

**Brad Nickson**

To the membership-at-large of the Oklahoma Route 66 Association;

On behalf of the Joplin planning committee for the 2013 Route 66 International Festival, we extend to you this formal invitation to attend the celebration of the heritage of Route 66 in Joplin, Missouri, on August 1-3.

Downtown Joplin will be the central location for the *Main Street Marketplace*, which will house the authors, artists, collectors and crafters of everything Route 66. Each day of the International Festival, Joplin's Route 66 will be busy with family-related activities, historical sites to see, good food, and Joplin's trademark Southwest Missouri Hospitality. Saturday evening, we will be hosting a combination car, working truck, military vehicle and motorcycle show and capping off the weekend with an exciting concert event, all right on Route 66!!

Additional activities are being planned with our regional Route 66 neighbors. Thursday night, we kick off the International Festival with a cruise to Carthage, Missouri's 66 Drive-In. Friday evening, our neighbors to the west host a welcome party and concert in downtown Galena, Kansas.

The most current schedule of events for the 2013 Route 66 International Festival can be found at [www.route66internationalfestival.com](http://www.route66internationalfestival.com).

If you are unable to attend the International Festival, please know the door is always open. Stay connected with us at [www.visitjoplinmo.com](http://www.visitjoplinmo.com). We would enjoy meeting you.

Hope to see you all along Joplin's Route 66.

Sincerely,

Patrick W. Tuttle  
Director

## Oklahoma Route 66 Business Spotlight

# Spotlight

## Clinton Chamber of Commerce

Clinton, Oklahoma. What a great place to visit while traveling Route 66. Like so many towns along the Mother Road, Clinton is rich in history. Clinton started as Washita Junction in 1902, which was founded by J.L. Avant and E.E. Blake., Tom Nance and F.E. Richey. The town started with three buildings. When the town applied for a Post Office, they were forced to change the name of the town and chose Clinton in honor of the late Judge Clinton Irwin.

Clinton has grown through the years but not without the help of a great Chamber of Commerce which has been around about 60 years, give or take 10 years, according to Chamber President Julie Menge. They are now located in the Frisco Center on 4th Street.

Julie is excited about the fact that the Chamber has helped in promoting Clinton into the great hub it is today. They have done this by Chambers participation in business advocacy, support for economic development, serving as the tourism information center for Clinton, and promotion of local events. One such event is the Route 66 Festival which is coming up May 24-25, 2013, with the Temptations as the headliner! Don't miss it. Other annual Chamber events include: Spring EXPO, Legislative Breakfasts,

Crazy Days, Chamber Banquet and Festival of the Lights. According to Julie, the Clinton Chamber is orchestrated by herself and 3 part-time employees and 1 full-time employees.

This great Route 66 town has main attractions available year round for travelers. This list is not complete but may give you some great ideas:
