Presidents

Memo...

Since the beginning of 2015, two new Route 66 organizations have joined the Route 66 family... In a press release dated January 5, 2015, the Tulsa, Oklahoma based Route 66 Alliance and the California based National Historic Route 66 Federation announced the 21st century reorganization of Cyrus Avery's U.S. 66 Highway Association.

The other new group comes out of work started at the World Monument Fund/ American Express Route 66: The Road Ahead conference back in November 2013. A press release on February 9, 2015 announced formation of a steering committee called the "Route 66: The Road Ahead Initiative". The steering committee has representatives from the tourism industry, small business, economic development, government, departments of transportation, education, preservation, and Route 66 enthusiasts.

The Oklahoma Route 66 Association looks forward to working with both new groups to see where these new efforts will lead.

Dan's BBQ

Davenport, Oklahoma

As you are going east of Route 66 out of Chandler the next town is Davenport, and right around the curve in the highway is Dan's BBQ at 706 N Broadway.

This is a must stop if you like home cooking!

Mike and Anita Vandever purchased Dan's in 1972.

They serve fantastic smoked BBQ with homemade BBQ sauce. The menu includes: pork ribs, ham, roast beef, hot links, brisket,

polish sausage, and bologna. But don't let the name fool you. The menu has a wide variety of equally wonderful dishes such as classics like chicken fried steak, grilled chicken breast, club steak, southern fried catfish, fried clams, popcorn shrimp, hot roast beef sandwiches, burgers and chili cheese coney just to mention a few!

Manager—Josh Tipton

Manager Josh Tipton let me know that anything on the menu is available for carryout and you will find a wonderful all-you-can-eat buffet at Dan's 7 days a week.

Need a catered event? Whether it's a large or small event, Dan's is ready to make it a night to remember! Looking for a new location for your next meeting? Dan's has several rooms available for your club or organization.

So, as you are traveling east on Route 66 stop on by Dan's BBQ for a great meal.

KEEP AMERICA BEAUTIFUL

GREAT AMERICAN CLEANUP™ OKLAHOMA

The Great American Cleanup™ in OK runs from March 1 and ends on May 31!

Join 40,000+ Oklahomans and millions nationwide to keep OK beautiful!

Keep Oklahoma Beautiful, a state affiliate of Keep America Beautiful, is taking part in the nation's largest annual cleanup, beautification and community improvement program with the help of our sponsors. We are encouraging you and your volunteer groups to make a visible difference where you live by getting on board with this effort!

Participating groups include scouting troops, civic organizations, chamber beautification committees, schools, families, businesses, adopt-a-highway groups, sports teams, municipalities and county governments. Stops along Route 66 like Sapulpa and Yukon are already onboard!

Clean up litter along roadsides, in parks, streams, forests, schoolyards and neighborhoods. But don't stop there! Additional event ideas include flower & tree plantings, recycling drives, educational workshops, graffiti removal and freshening up buildings by giving them a fresh coat of paint. There are many ways to participate and make our state and nation sparkle. For more project ideas & tips, [click here](#).

"Pretty, Clean Places Stay Pretty Clean"

Research shows that attractive, clean environments tend to stay that way. Conversely, unattractive, litter-strewn areas will only worsen. Prevent future community eyesores by cleaning up, painting up and fixing up today!

Digital Preservation?

Food for Thought

By Brad Nickson

There are a ton of preservation efforts surrounding Route 66. From buildings to landmarks to collecting tchotchkes and postcards to Cyrus Avery's letters (at the OSU Tulsa campus library). Those physical things, because they are things you can touch, are preserve able.

In coming decades (centuries?) many of those things will still be around. What about your digital Route 66 items? What about your digital photographs? Digital documents? Emails? Those disk drives and CD?DVDs and the gear to use them won't be around forever. And think about how programs to access those files change.

Oral histories are recorded on media (tapes or digital media) that will deteriorate over time. Proper oral histories have transcriptions of the interview. Hopefully on paper! Print those photos and documents. Don't leave them in a vast, inaccessible digital void if a future 66 enthusiast (or historian) needs them.....
