**THE ROAD AHEAD PARTNERSHIP**

The Route 66 Road Ahead Partnership held its Annual Board of Directors Meeting February 22-23, 2019, in Albuquerque, New Mexico.

John Conoboy, Chairman of the Road Ahead's National Historic Trail Task Force, and Amy Webb, representative from the National Trust for Historic Preservation reported that much progress was made in 2018 and hopes were high that HR801, the Federal legislation to designate Route 66 a National Historic Trail, would be passed last year. The government shutdown in mid-December, however, resulted in the legislation not moving forward. The bill has been reintroduced in the new Congress, with a goal of having it passed by Congress and signed by the President before the end of 2019.

The Board approved a budget for the 2019 fiscal year. In addition to approving basic administrative costs, the Board discussed and approved funding for several expenses related to achieving specific strategic goals established by the Road Ahead including:

Economic Development Working Group - \$5,000 was approved to develop case studies illustrating successful efforts by communities across Route 66 to leverage Route 66 for economic development purposes. Funding of up to \$10,000 was also approved to conduct additional research in conjunction with work done by Rutgers University to update

its 2012 Route 66 Economic Impact Study.

Route 66 State Associations Advocacy Working Group – \$6,000 was allocated to improve the Road Ahead’s ability to inform and educate Route 66 stakeholders and Roadies regarding what the organization is and what it is doing.

Green Book Task Force [GBTF] – \$1,000 was allocated to cover potential research and/or travel costs for the GBTF as it initiates its work to address needs/challenges associated with Route 66-based Green Book sites.

Preservation Working Group – The Board approved up to \$2,000 to cover potential travel costs for its newly appointed Historic Resources Specialist [HRS] Anne Haaker. Her focus will be the development, coordination, and implementation of the Road Ahead’s review of federal, state and local construction projects that may affect Route 66 historic resources, in accordance with Section 106 of the National Historic Preservation Act of 1966.

Promotion Working Group - \$9,900 was approved by the Board to address one of the most frequently reported challenges faced by Route 66 travelers, i.e. navigating the Route. This funding is being used to design and develop a Route 66 navigation app.

Vintage Motel Task Force [VMTF] – Up to \$5,000 was allocated to underwrite the

work of the VMTF, including costs associated with providing benefits to owner/operators who sign up to become members of “The Route 66 Motel Collection” being created by the VMTF.

International Advisory Group –\$1,000 in funding was approved to support implementation of an online survey designed to identify challenges, needs, and wants of international visitors traveling Route 66.

Executive Committee – The Board approved setting aside \$14,500 into a reserve fund. The reserve will be called upon as needed, pending the organization’s ability to raise additional public and/or corporate sponsorship funding.

The Board adopted Policy 2019-01 that deals with establishing partnerships between the Route 66 Road Ahead Partnership and other not-for-profit organizations. Looking ahead, the Board will also draft a policy for establishing potential partnerships with for-profit entities.

Throughout the meeting, the Chairs of the Road Ahead’s several Working Groups, Task Forces, and Advisory Groups, presented updates to the Board.

Research 66 representatives Maria Felchlin, Sean Evans, and Audra Bellmore presented options to formalize a working relationship between the Road Ahead and Research 66. The Road Ahead Board

endorsed the idea and directed Chairman Thomas to draft a Memorandum of Understanding to bring to the Board for discussion/action. Research 66 is a group of 10 archival institutions along Route 66, that focus on making research materials accessible to the general public and Route 66 stakeholders for the purpose of education, preservation, and management of the historic Route 66 corridor.

The Board also passed two resolutions of appreciation and welcomed three new members. Dora Meroney, who had served as the representative from Texas, and Brad Nickson, representative from Oklahoma, were recognized for their service as they ended their time on the Board. Each had served on the Board since the founding of the Route 66 Road Ahead Partnership in 2015. Sharon Foster, representative from California, Gary Dagget, representative from Texas, and Rhys Martin, representative from Oklahoma, were introduced and welcomed as new Board members.

Officers of the Board for 2019 were elected:

Bill Thomas, Chairman [Illinois], David Bricker, Vice Chairman [California], Renee Charles, Secretary [Kansas], and Bill Kelly, Treasurer [Illinois]. Officer terms are for one year.

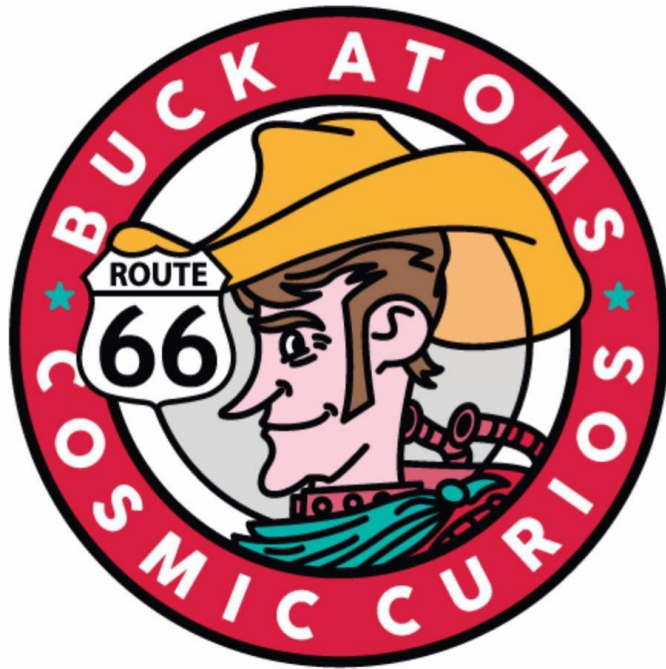

When completed, minutes of the

2019 Annual Board Meeting, including The Road Ahead's Working Groups, Task Forces, and Advisory Groups reports, the Treasurer's Report, and the approved 2019 Budget will be posted on the Route 66 Road Ahead Partnership's website, accessible at: www.route66roadahead.com.

At the conclusion of the Annual Board of Directors Meeting, members of the Board hosted the Second Annual Route 66 Stakeholders Reception and Update Event, to which any and all members of the public interested in Route 66 were invited. Approximately 25 stakeholders attended and engaged Road Ahead Board members in a discussion of their interests and questions.

Established in 2015, with the support of the National Park Service and the World Monuments' Fund, The Route 66 Road Ahead Partnership's mission is to revitalize and sustain Route 66 as a national and international icon through partnerships focused on promotion, preservation, research and education, and economic development.

Buck Atoms Space Cowboy Giant to be installed

Join us at 10 am on May 11th at Tulsa's Buck Atoms Cosmic Curios in celebrating the installation of the 21-foot on historic Route 66. Built by Mark Cline of Enchanted Castle Studios with the rocket ship created by Chris Wollard.

These American giants are also referred to as, "Muffler Men," and are made of fiberglass. We will welcome our giant to Tulsa's Meadow Gold and Pearl Districts with coffee and pastries from Laurannae Baking Co. and TJ Mayes will be spinning his vintage western Oklahoma records.

Speakers at this event include Lieutenant Governor Matt Pinnell, Mayor G.T. Bynum, local author and historian Michael Wallis, Abby Kurin the Director of Tulsa Office of Film, Music, Arts & Culture for Tulsa Regional Tourism, owner of American Giant Co. Joel Baker, and Mary Beth Babcock, owner of Buck Atom's Cosmic Curios on 66.

"Route 66 is already a worldwide destination and a vital and beloved part of Tulsa's history. With the addition of the Buck Atoms Roadside Attraction, Route 66 will continue to provide a unique experience for travelers and our local community to enjoy for years to come. I want to thank Mary Beth Babcock for her commitment and vision to this project and our city." Mayor Bynum said.

"We are ecstatic to see this new addition of public art in Tulsa and Route 66. The Buck Atom muffler man will be a must-see attraction and photo opportunity for locals and tourists. Mary Beth Babcock is a creative visionary, and this will continue to propel Tulsa's stretch of infamous Mother Road to new heights," said Abby Kurin.

"I guarantee, this colossal addition to the Mother Road will become an instant icon for road warriors from around the world," said Michael Wallis.

National Park Service Route 66

Cost-Share Grant Program

The National Park Service Route 66 Corridor Preservation Program is pleased to announce that the program's 2019 Cost-Share Grant Season is now open. Applications will be accepted until Friday, April 12, 2019. Applications must be received by the program office on or before this date. Applications received after this date will not be accepted.

The Route 66 Corridor Preservation Program provides cost-share grant assistance to support the preservation of the most significant and representative historic Route 66 buildings, structures, road segments, and cultural landscapes in the eight states through which the route passes. Assistance is also provided to support research, planning, oral history, and educational outreach projects related to the preservation of Route 66.

Program cost-share grant funds are provided through congressional appropriations, which are determined each new fiscal year. Project eligibility criteria requires a minimum 50% (1:1) cost-share match provided by the applicant. All preservation, restoration, and rehabilitation projects are required to conform to the Secretary of the Interior's Standards for the Treatment of Historic Properties.

The grant application form and guidelines can be found at <https://ncptt.nps.gov/rt66/cost-share-grants/>

President's Pen...

Greetings, fellow 66ers!

On January 27th, the Oklahoma Route 66 Association held our annual election. Several county representatives were retained and we had a vote for the new Association President. I am humbled and honored to have been selected for the role. Brad Nickson has left some mighty big shoes to fill and he will be greatly missed!

I thought it would be a good idea for me to take this opportunity to introduce myself to those of you I haven't met and tell you a little bit about my experiences on Route 66. I am a relative newcomer to the fold, having only taken my first Route 66 Road Trip in the summer of 2013. That day trip from Tulsa to Miami, OK set in motion a journey that has now taken me from Chicago all the way west to Santa Monica.

In those early days I viewed the road simply through the eyes of a photographer, but I've gradually become more actively involved with the road. In January of 2017, I was elected as the Tulsa County Representative of the Association. Today, in addition to my new role, I am the Chair of the Tulsa Route 66 Commission and an adviser with the Route 66 Alliance. There's so much positive energy along the Route today and I am excited to be a part of it.

As we get closer to the centennial in 2026, I imagine that buzz will only increase. Oklahoma has a large part to play in that excitement and I am so proud to help guide us forward.

Rhys Martin,
President
Oklahoma Route 66 Association
