The Journey of Sutham Nateetong

By Rhys Martin

Did you see a man in orange robes walking along Route 66 recently? Sutham Nateetong, a Buddhist monk from Thailand, started walking down Route 66 on March 1st. He began his Walk for Peace at the Santa Monica Pier in California and crossed into Oklahoma on April 27th.

By the time Sutham left Quapaw, OK and entered the state of Kansas, he had visited with dozens of Oklahomans along the Mother Road. Several news outlets throughout the state captured his journey and talked to him about his message of world peace. Sutham reached Chicago in June and is continuing on to his destination: the Statue of Liberty in New York City.

SAPULPA IS OK!

By Jerry McClanahan

Just after midnight on Sunday May 26, a line of severe thunderstorms caused extensive damage along the Route 66 area from Kellyville through Sapulpa and south Tulsa.

The National Weather Service reported straight-line winds over 80 mph and confirmed that two EF-1 tornados hit Sapulpa.

The storms damaged trees, powerlines and business signs throughout the city, with damage to roofs and upper brick walls in downtown, plus a collapsed warehouse.

Route 66/Mission Ave was blocked as late as Tuesday the 28th while workers replaced downed powerlines. Businesses such as the iconic Happy Burger were forced to close until their power was reconnected.

This is the storm system that dropped a deadly tornado earlier that

evening in El Reno, killing two people as it destroyed a motel and clipped a trailer park near the JCT of OK 66 and US 81.

In true Oklahoma spirit, Sapulpa went ahead with the Annual Route 66 Blowout Car Show & Festival a few days later on June 1...even while roof repairs were ongoing downtown!

This year's show, celebrating its 30th anniversary, offered something for everyone, including a well stocked car show, food booths, kid's zone and arts & craft vendors plus other business and charity and informational booths.

Your association was well represented by Executive Director Marilyn Emde and President Rhys Martin, who distributed Oklahoma Trip Guides and sold t shirts and other merchandise.

Despite extensive damage, Sapulpa remains "The Heart of Route 66."

New Way for RVs to Travel Route 66

The Road Ahead and Harvest Hosts have partnered to provide RVs traveling Route 66 a new way to experience all the Mother Road has to offer. Harvest Hosts (www.harvesthosts.com) is a membership network that invites self-contained RVers to stay overnight for free at selected sites, attractions, and businesses across the United States. The goal of the new partnership is to expand the current listing of Harvest Hosts locations to include some of the unique sites along Route 66 and enhance the experience RV travelers have on the Mother Road.

The goal is to connect RVers with the hidden gems of Real America, where they'll find unique experiences and make lasting memories with family and friends. The Road Ahead invites attractions, sites, and businesses along Route 66 to contact it if interested in becoming a Harvest Host site. Just email rt66theroadahead@gmail.com for information and details.

Harvest Hosts currently provides access to a network of wineries, farms, breweries, golf courses, museums, and other attractions that invite its members to visit and stay overnight at any of its 700+ locations completely free. In an effort to support local businesses and make it beneficial for those who act as Hosts, RVers are encouraged to support the businesses they visit, whether that's through buying some wine, shopping in the gift shop, making a donation to a museum, or buying local produce.

Harvest Hosts has tens of thousands of members from the United States, Canada, and around the world, including retirees, full-time families, business professionals, bloggers, and adventurers, all of whom have one thing in common: the desire to experience unique locations as they travel. Self-contained RVers can become Harvest Hosts members for a small annual fee.

Established in 2015 with the support of the National Park Service and the World Monuments Fund, The Route Road Ahead Partnership's mission is to revitalize and sustain Route 66 as a national and international icon through partnerships focused on promotion, preservation, research and education, and economic development.

Interested in Becoming Part of the Network of Harvest Hosts?

You can sign up to be a Harvest Host at: www.harvesthosts.com/hosts#become-host. Please be sure to reference the Route 66 Road Ahead Partnership when you answer the question, "How did you hear about Harvest Hosts?"

President's Pen...

Greetings, fellow 66ers!

As I predicted in my previous letter, it has indeed been a busy few months on Oklahoma Route 66. Oklahoma has joined a few other Route 66 states in establishing our own Route 66 Centennial Commission. It was established by the State of Oklahoma and the Oklahoma Route 66 Association has a seat at the table. I look forward to working with the Lt. Governor and all other parties to make sure we're in a good place for the celebrations in 2026.

We continue to work towards re-introducing legislation at the federal level to establish Route 66 as a National Historic Trail. If passed, this designation will help fill the gap left by the Corridor Preservation Program, which sunsets this year. I hope to have more news on this next quarter.

I have also been selected to chair a working group with the Route 66: Road Ahead Partnership. This group is designed to get all eight state associations talking together on a regular basis. I'm really excited about this opportunity and look forward to having a consistent open line of communication with my peers from Chicago to Santa Monica.

The road is ever-changing. New attractions, like the Buck Atom Muffler Man in Tulsa, join Oklahoma's unique collection of roadside Americana while others, like Afton Station, come to an end. Please continue supporting your local shops and attractions; without you, they wouldn't be here.

See you on the road!

Rhys Martin,
 President
 Oklahoma Route 66 Association

TEXOLA

In April, a Route 66 enthusiast named Sam Murray took time out of his journey along the road to clean up a landmark in Lincoln County, just outside of Stroud. If you've ever taken the old dirt road south of the highway, you've seen the tall, black Ozark Trail obelisk. For a long time, it has been covered in graffiti. Sam took several hours to clean and repaint the obelisk back to its original white color!

Although we have recently heard reports that some graffiti has once again shown up on the marker, we are hopeful that Sam's efforts inspire more attention to keep this century-old artifact looking clean and refreshed for our travelers. (photo courtesy of Rhys Martin)

The new Muffler Man at Buck Atom's Cosmic Curios on 66 in Tulsa was unveiled on Saturday, May 11th. Attendees included Lt Governor Matt Pinnell and historian Michael Wallis, seen here speaking to the crowd. (photo courtesy of Rhys Martin)
