Our Mission:

To celebrate and preserve Route 66 in Oklahoma through education, promotion, and advocacy, ensuring the future of the Mother Road while honoring its community and history.

We serve as to coordinate statewide economic development, enhancement, improvement, preservation, and recognition of U.S. Route 66 in Oklahoma. In keeping with our mandate, we generate whatever finances and pressures we can to save Route 66 landmarks from decay or destruction.

We publish the Official Oklahoma Route 66 Association Trip Guide, a guidebook that is updated annually with maps and valuable information to help travelers explore Route 66 across the state. We also publish a quarterly newsletter and keep communities on the Mother Road connected.

We are a member-driven organization and welcome anyone, from anywhere, that cares about Route 66 and all that it represents. We would not be able to execute our Mission without their support!

Benefits of Membership include:
